The Good Deeds Blog

The Jewish concept of Tikkun Olam, "repairing the world," embodies the values and moral obligations all Jews have to heal and repair our world.

Each month, during the school year, students with their parents, will post a short blurb related to the Jewish Mitzvah on our school's Good Deeds Blog. The blurb should be 2-3 sentences long.

List of Mitzvot:

October:	Repairing the World (Tikkun Olam)
November:	Repentance/Apologizing (Teshuvah Forgiveness)
December:	Honoring the Elderly (Hiddur P'nay Zaken)
January:	Peace in the Home/Classroom (Shalom Bayit)
February:	Honor Parents and Teachers (Kibbud Orim U'morim)
March:	Welcoming Guests (Hachnasat Orchid)
April:	Acts of Loving Kindness (Gemilut Hasadim)

More details to follow.
