

Temple Beth Rishon Religious School

YOUTH GROUP PROGRAM

We are pleased to enter into another exciting year of Youth Group programs for K- 6 grades. Youth Group at Temple Beth Rishon is designed for healthy, safe and social interaction for Jewish youth. The activities and focus of each week will vary throughout the year.

Encourage your child to bring a friend and attend a couple of youth group sessions to get a feel for how it works for them. Please see the Youth Group brochure for detailed information on events and important dates. E-mail reminders will be sent prior to each event!

FAMILY INVOLVEMENT

Religious School is a very special place. Students learn about their culture and meet new friends as they expand their Jewish family. We will encourage them to think about their spirituality and see the world through a lens of awe and mystery. They make deep, lasting friendships with peers who share our rich heritage.

While children respond well to excellent teachers, parents teach children important lessons about how to live a moral life, the importance of values, and what place Judaism has in the family. Therefore, we encourage you to be involved in your child's Jewish education.

This year, we will be asking parents to participate in a variety of Family Education experiences, including workshops, the Sukkah Hop, Simchat Torah Service and Dinner, Chanukah and Purim Carnivals, as well as monthly Friday night Family Services. Family Education is a great opportunity to participate and connect with your child.

If you would like to discuss ways to participate in your child's Jewish learning, please feel free to contact Gonen Arad at any time at 201-891-6074 or gonen@bethrishon.org
